Adopt a "Dog" Chicago Dogs Host Family Program

Become part of the Dogs family and adopt one of our players for the 2023 season. Our players are looking for a special place to be their "home away from home." You will share in their experiences and successes in their dream to become a major league player.

Host Family Obligations

- Provide housing from May 1st through September 7th and possibly until September 25th if the team makes the playoffs. Players will be out of town for approximately 45-50 nights during this time.
- Provide a safe, clean place for our players to stay with some sense of privacy. Separate bedroom is required.
- Provide access to TV and internet.
- Provide access to bathroom/shower area.
- Host families are not required to feed the players. We ask that players have access to the refrigerator for any groceries they might want to have on hand.

Host Family Benefits

- Season tickets for each home and playoff game.
- Suite night for one game.
- Four Rivers Stadium Club tickets for one game.
- One personalized team jersey.
- Opportunity to throw out a first pitch.
- Invitation to all team special events and season ticket holder events. (Meet the Team Party, World Series Watch Party, Open House)
- Team store discount of 15%.
- Receive all ballpark giveaways if they are not able to attend the game.
