

Chicago Dogs Host Family Program

The Chicago Dogs are looking for host families to house one or more players for the 2020 season. Our players are looking for a special place to be their “home away from home.” Being a host family is an exciting opportunity to help, nurture and support a minor league baseball player. You will share in their experiences and successes in their dream to become a major league player.

Host Family Obligations

- Provide housing from May 1st through September 7th and possibly until September 25th if the team makes the playoffs. Players will be out of town for approximately 45-50 nights during this time.
- Provide a safe, clean place for our players to stay with some sense of privacy. Separate bedroom is required.
- Provide access to TV and internet.
- Preferably provide access to their own bathroom/shower area.
- Host families are not required to feed the players. We ask that players have access to the refrigerator for any groceries they might want to have on hand.

Host Family Benefits

- (2) tickets for each home and playoff game per player housed.
- Receive a photo of the player(s) with the family on the field before an actual game.
- Invitation to all team special events and season ticket holder events.
- Receive all ballpark giveaways if they are not able to attend the game.
